

# M600 ADJUSTABLE WEIGHT BENCH

## TRANSPORT

Convenient handle on front with two transport wheels on the back make moving in and out of position easy and safe. Adjustable feet for levelling on any floor.

## DURABLE UPHOLSTERY STRONG STEEL FRAME

The steel frame, double stitched padded seat and backrest provide maximum strength and durability. This bench is ready for the toughest of workouts.

## BACKREST INCLINE

Bench has four backrest pad positions. Adjust position by moving back pad in to notches. You can arrange the bench into an incline or flat position. Thick and comfy backrest, poly leather and foam panel, MDF backing.

## ADJUSTABLE SEAT INCLINE

The angle of the seat is adjustable, with four seat positions. Avoid slipping and get the angle just right.
