

OSP610 APEX II SPIN BIKE

The New Apex II Spin Bike will Get you all the way to the Top. This Bike brings Sleek Styling and a Robust, Studio Quality Spin Bike to Your Home.

Dual Device Holders

The close device holder on the console is ideal for phones and small devices as to not obscure the readouts, with the Far device holder being ideal for larger tablets and iPads.

Adjustments

With 8 different handle bar heights, 10 seat heights, and forward/backward adjustment on the seat and handle bars, this Spin Bike is extremely adjustable to people of different sizes. Get it just right for you, for your perfect cardio workout. Pull pin for rapid height change, screw to lock it into position. Turn Knob to Adjust Tension of Resistance, push knob to Brake.

Simple to Use Console

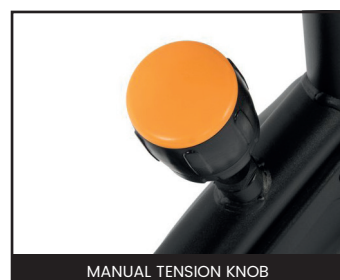

Battery powered, Easy to Read display, Showing Km/hr on the top line, cycle through other readouts. Connect to wireless chest strap to monitor heart rate. SOLD SEPARATELY*

FULLY ADJUSTABLE SEAT

DYNAMICALLY BALANCED FLYWHEEL

MANUAL TENSION KNOB
