

# OSP810 PEAK SPIN BIKE

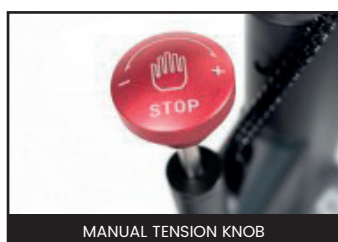

Introducing the OSP810 PEAK Spin Bike, a versatile fitness solution suitable for both commercial and domestic use. A powerhouse for your fitness journey, a reliable and feature-rich fitness companion that caters to the needs of both commercial gym settings and personal home workouts.

**Sturdy Construction:** Built tough with a commercial-grade frame weighing 62kg and featuring a 23kg balanced flywheel for durability and stability.

**Smooth, Quiet Ride:** Enjoy a friction pad resistance system and whisper-quiet belt drive for a smooth and quiet workout experience.

**Customizable Fit:** Adjustable handlebars, pedals, and seating allow for a personalized workout tailored to your preferences.

**Advanced Monitoring and Connectivity:** Track your progress with the LCD display and stay connected with built-in WiFi and HR monitoring capabilities, making it easy to monitor and improve your fitness journey.
