

SS55C STARSTRIDER TREADMILL

The SS55C is a Smart Looking, Modern Treadmill that is Designed to Suit any Home or Home Gym, Which has a Reasonably Small Footprint, and is Easily Folded, Moved and Stored.

1.5 CONTINUOUS HORSE POWER DC MOTOR:

The DC motor is a 1.5 Continuous Horse Power Motor (3HP Peak) has the strength and reliability to keep you running a consistent pace, even in incline.

DECK WITH AIR CUSHION:

18mm pre waxed deck is sturdy and lubricated for supporting the running belt mat. Air Cushioning and elastomer shock absorbers keep the impact low to joints and connective tissue.

AUTOMATIC INCLINE:

The incline is fully automated and motorised, meaning you can adjust it with the console or quick buttons, or on the handles during running, without having to stop and reset it manually. Deck returns to 0 Incline and Speed position when stopped.

BLUE LED DISPLAY:

Keep track of your efforts through the easy to read, 4 window LED display. The first window on the left displays Speed / Calories, the second Time, the third Distance and the last window on the right displays Incline / Heart Rate. Small shelf allows smart device to replace these displays when using an app or watching other media on your smart device. Start / Stop, Quick Keys, Mode, Program and Up and Down for Incline and Speed are all accessible on the key pad. Bluetooth allows connection to Apps.
