

Powerline Home Gym

multiSTATION - TOTALbody

FEATURES

The Body-Solid G2B is the ideal combination of technology and design. Its' most unique feature is the patented Bi-Angular® Press Arm System. Bi-Angular® technology uses a converging axis during the pressing motion to provide 25% more muscle interaction for a faster, more efficient and complete workout. Built on a compact but extremely stable footprint, the G2B packs more exercises into less space than any other gym available.

Included in this versatile gym is a Multi-Hip Station to sculpt your hips, thighs and glutes. The fully adjustable back pad is made of DuraFirm™ padding and includes lumbar support for maximum comfort. The SmoothGlide Bearing System™ allows friction-free movement and long life to the multifunction leg developer. The G2B allows you to perform every exercise you need to sculpt your body to its ultimate form.

- Patented Bi-Angular® converging press station replicates free weight dumbbell presses and provides 25% more muscle interaction
- Includes commercial style multi-hip station with multiple start positions that provide resistance in either direction for emphasis on your hip, thigh and glute areas.
- 73kg selectorized weight stack. (Optional 95kg weight stack available.)
- Easy to use, space saving, no-cable-change design.
- Leg developer station features the SmoothGlide Bearing System™ with biomechanically accurate pivot point.
- Upholstered rollers on leg extension, leg curl, multi-hip and lat hold down stations.
- High-density, top grade DuraFirm™ pads with lumbar support provide ultimate comfort and prevent lower back strain.
- Flip-up seated row foot brace plate stabilizes your body when using heavy resistance.
- Heavy duty 12-gauge steel construction provides ultimate strength, function and durability.
- 998kg tension strength, military spec, steel aircraft cables with swiveling ends provide durability and low maintenance.
- 11 cm pulleys are impact resistant fiberglass reinforced nylon with precision machined steel ball bearings for prolonged cable life, smooth movement and maximum durability.
- Tough, durable, electrostatically applied powder coat finish.
- Includes revolving lat bar, revolving straight bar, ankle strap, ab / triceps strap, Total Body Workout™ DVD, & full size exercise chart.
