

Pro Lat Machine
singleSTATION - UPPERbody

FEATURES

Designed to eliminate the extra work from your workout, the Body-Solid Pro Lat Machine provides 'no-cable-change' technology.

Finish your lat workout, let go of the 122cm lat bar and grab the 50cm seated row bar on the low pulley and continue working out. Features included patented nylon bushings to provide super-smooth movements. Pop pin adjustments, foam rollers and bar holders for high and low pulleys add order and convenience to your workout. A seated row foot brace and diamond plate stabilizers add extra balance and security to the best lat machine on the market.

- No-Cable-Change Technology" makes transitions between high and low pulley exercises effortless
- Thick, comfortable DuraFirm™ seat pad
- Patented nylon bushings provide smooth weight carriage travel
- Comfortable, multi-position 8" foam rollers lock you in position for high pulley lat work
- Seated Row Foot Brace for low pulley lat work
- Includes Lat Bar and Straight Bar
