

# Standard/Olympic Weight Tree with Bar Holder

## FEATURES

Keep your workout area safe, clean and organized with this Olympic Weight Tree & Bar Rack from Body-Solid! Designed with central weight load distribution that virtually eliminates the risk of tipping. Features heavy-duty 50 x 50mm and 50 x 75mm high tensile strength steel with all-4-side welded construction and finished with ultra-tough electrostatically applied powder coat finish.

6 x 50mm x 203mm weight plate storage posts keep plates safely suspended off the floor for easy storage and removal and can hold up to 500kg of weight.

2 Olympic bar holders store all styles of Olympic bars.

- 2 Olympic bar holders included.
- 6 x (50 x 203mm) weight plate storage posts
- All-4-side welded construction
- Finished with ultra-tough electrostatically applied powder coat finish

**Weight plates and bars optional**
