

TANITA®

UM 040

Body Fat / Hydration Monitor

Tanita - the worldwide leading brand with over 65 years' experience.
Fast, Accurate and Reliable.

BENEFITS

The Tanita UM-040 is perfect for monitoring changes in your weight and body composition over time. Using the latest Innerscan technology you will see the true impact of your diet and fitness programme on your body giving you the motivation to achieve your goals. Results are clearly displayed on an LCD screen and the stylish, tempered glass platform is perfectly suited to the modern family bathroom.
